Dr. Helmi Norman Biography

Dr. Helmi Norman is currently the Assistant Dean of Teaching and Citra and Senior Lecturer/Assistant Professor and at the Faculty of Education, Universiti Kebangsaan Malaysia (National University of Malaysia or UKM) and an Associate Fellow of the Center for Teaching and Learning Technologies at UKM. His research interests are in the digital innovation in education. He is currently a member-at-large on the board of directors of the International Association for Blended Learning. Previously, he was appointed as a visiting scholar at the Swartz Center for Computational Neuroscience, University of California San Diego, USA and has been awarded a visiting post-doctoral fellowship by Erasmus Mundus at the Faculty of Science and Technology, Bournemouth University (BU), United Kingdom. During his PhD, he was awarded the Global Student Mobility Partnership Program for a research attachment in the e-Learning Lab, Center for Driven Innovation, Learning and Design (eLL), Aalborg University. Dr. Norman is currently involved in cross-continental projects such as the Australia's Innovation Research University (IRU) - Malaysia Research University Network (MRUN) on learning spaces as well as national research projects such as the Massive Open Online Course for Malaysian public universities. He is also a certified Apple Learning Professional Specialist where he is involved in national projects for primary, secondary, and higher education in promoting 1:1 pedagogical and learning approaches using the Apple ecosystem. Dr Norman also promotes drone-based learning via the “dronagogy” learning approach.
